MASTER PLANNING PARTY FOR UNDERWOOD

Tuesday, August 8
5—7 PM

Come stroll the mowed circuit and experience a variety of stations that represent what elements could be part of this amazing park. Each station will have an activity to participate in as well as a host and demonstration table explaining their potential. The YUM food truck will be on site to provide refreshments and food for purchase.

The following stations will be represented:

- Agriculture
- Water Quality
- Habitat Connectivity
- Nature Trails
- Recreation Games
- Wild Play
- Event Space Potential

Parking will be on the South side of Nowland Farm Road and at Overlook Park.

Bring the whole family, experience the park and share with us your vision for the future of the Underwood Property.
